Nominating: John Eckman has graciously chaired this committee for the past 2 (maybe 3) years but will be rotating off so a new chairperson will be needed.

Rebecca Allen will continue as Clerk of Session.

That's all the news from Session for this month. Next meeting will be September 19th. Until then, please let us know if you have problems or concerns and stay happy and well and faithful!

Peace--- Becky

Attention!!

Back to Church Sunday, September 17th, following our morning worship service, Jeri Snider will be serving a meal she has prepared especially for us! We need your reservations! Please let the church office know by Thursday, September 14th, if you are planning to attend this event. There will be a charge of \$10 per person to offset food costs. We have sorely missed our shared meals, so please plan to come and enjoy some delicious food and wonderful fellowship!!

SESSION STREAM

Session met on 15 August with our newly installed Elders in attendance.

Clerk Report: Becky and Eric will start working on the revised church directory this week. A proposal has been received from Jeri Ball Snider to once again become our kitchen manager which was excitedly approved so hopefully some delicious fellowship meals are in our very near future! Initially she will begin with one Sunday and two Wednesdays a month and we will gauge interest and attendance as to changes to be made in that schedule.

Stewardship/Finance: Melinda reports that Bob Perkinson has rotated off that committee and will be sorely missed!

Property/Personnel: Fred reported that his committee is looking at options to repair the courtyard floor.

Congregational Care: Joyce has rotated off Session and as Chair of that committee but Sharon will ask her if she might continue on as Chair—hope that's happened already 'cause if not, the cat is out of the bag! The new Book of Order which comes out this year has changed the rule that one must be serving on Session to be a committee Chair.

Mission Outreach: Sharon encouraged attendance and assistance at the Community Picnic with our Christ Episcopal and Immanuel Lutheran neighbors. I guess by the time this comes out we will know whether or not it was the great success we are praying for! If you'd like to join Tuesday morning devotionals please email either Bob or Sharon or call Stephanie in the office.

Worship: Daveen reported on pulpit supply for August and September with communion being on September 3rd when Cameron Harkness will be supplying the pulpit.

PNC: Betse reported that they are working on the MDF for the new system Presbytery has adopted. Please pray that the person God has chosen to lead our church will appear on our path very soon.
