Nominating (John Eckman) No report as new members have been elected. Ken Valko will now chair this committee and work to have new Elder candidates for election in June.

Sharon had contacted Appalachian Service and had received a response from them about the possibility of using our 3<sup>rd</sup> floor for their team when in this area but they need more space than we provide as they bring 80 or more people and have very specific requirements.

We will meet again on April 16<sup>th</sup>. Have a great month and stay hopeful, kind, and at peace in God's love. Becky
